INFORMATION

Are you interested in obtaining a court ordered legal name change for yourself or your minor child? Do you want assistance navigating the process of obtaining a legal name change and amending the legal name and gender marker on your or your minor child's government-issued identification documents?

Southern Legal Counsel's Transgender Rights Initiative, in collaboration with León Cosgrove Jiménez, LLP and Greenberg Traurig, P.A., are collaborating yet again to provide transgender Floridians another free Zoom clinic to assist in navigating the legal name change process and the subsequent processes of amending the name and gender marker on government-issued identification documents (Social Security, Birth Certificate, Driver's License/State ID, Passport, and more). Registration is required so that we can get you the county-specific materials you'll need ahead of time.
